

PROSPECTUS SUPPLEMENT NO. 17
(to Prospectus dated August 5, 2022)

MSP RECOVERY, INC.

Up to 159,246,370 Shares of Class A Common Stock
Up to 755,200,000 Warrants to Purchase Shares of Class A Common Stock
Up to 41,303,149 Shares of Class A Common Stock Underlying Warrants

This prospectus supplement no. 17 amends and supplements the prospectus dated August 5, 2022 (as supplemented or amended from time to time, the “Prospectus”), which forms a part of our Registration Statement on Form S-1 (No. 333-265953). This prospectus supplement is being filed to update and supplement the information in the Prospectus with the information contained in our Current Report on Form 8-K, filed with the Securities and Exchange Commission (the “SEC”) on September 10, 2024 (the “Current Report”). Accordingly, we have attached the Current Report to this prospectus supplement.

This prospectus relates to the offer and sale from time to time by the selling securityholders named in this prospectus (the “Selling Securityholders”), or their permitted transferees, of up to 159,246,370 shares of our Class A Common Stock, par value \$0.0001 per share (the “Class A Common Stock”) issued or issuable to certain Selling Securityholders (the “Total Resale Shares”), as follows:

- up to 30,221,000 shares of Class A Common Stock issued or issuable to the Selling Securityholders, including the Sponsor (as defined below), upon the exercise of up to 325,000 Private Warrants (as defined below) and up to 755,200,000 New Warrants (as defined below), and the resale from time to time of such New Warrants. The Private Warrants were originally included in the Private Units (as defined below) issued in a private placement simultaneously with the Company.
 - up to 230,000 shares of Common Stock issued to certain Selling Securityholders, including the Sponsor, in connection with the Business Combination (as defined below) upon conversion of the Founder Shares (as defined below). The Founder Shares were originally issued at a price of \$0.125 per share.
 - up to 26,000 shares of Class A Common Stock included in the Private Units, which were originally issued to certain Selling Securityholders, including the Sponsor, together with the Private Warrants at a price of \$10.00 per unit.
 - up to 126,718,716 shares of Class A Common Stock exchangeable for Up-C Units originally issued to certain Selling Securityholders, including the Members (as defined below), as consideration in the Business Combination for their membership interests in the MSP Purchased Companies (as defined below) or issuable pursuant to the terms of existing contracts.
 - up to 2,000,880 shares of Class A Common Stock issued to certain Selling Securityholders upon exchange of Up-C Units designated by the Members and issued in a private placement by the Company in lieu of a corresponding number of Up-C Units to which such Members were otherwise entitled but designated back to the Company and Opco pursuant to the terms of the Business Combination. Such Selling Securityholders paid no cash consideration for such Up-C Units or the underlying shares of Common Stock.
-

- up to 49,774 shares of Class A Common Stock issued to certain Selling Securityholders in a private placement by the Company pursuant to the terms of existing contracts. Such Selling Securityholders paid no cash consideration for such shares of Common Stock.

In addition, this prospectus relates to the issuance by us of up to 41,303,149 shares of our Class A Common Stock issuable upon exercise of warrants as follows:

- 181,296 shares of Class A Common Stock issuable upon the exercise of up to 4,532,405 Public Warrants (as defined below), which were originally issued in the initial public offering of units of the Company at a price of \$250.00 per unit, with each unit consisting of one share of Class A Common Stock and one-half of one Public Warrant. Following anti-dilution adjustments made in connection with the Business Combination, the Public Warrants have an exercise price of \$0.0025 per share. Because the exercise price of the Public Warrants is only \$0.0025 per share, we believe holders of the Public Warrants will likely exercise their Public Warrants. However, given the low exercise price, we would only receive nominal proceeds (less than \$500) therefrom.
- 41,121,853 shares of Class A Common Stock issuable upon the exercise of up to 1,028,046,326 New Warrants (as defined below), which were originally distributed to stockholders of the Company without charge as a dividend pursuant to the terms of the Business Combination. The New Warrants have an exercise price of \$287.50 per share. The exercise price of the New Warrants are highly dependent on the price of our Class A Common Stock and the spread between the exercise price of the New Warrants and the price of our Common Stock at the time of exercise. If the market price for our Class A Common Stock is less than \$287.50 per share, we believe warrant holders will be unlikely to exercise their New Warrants. The last reported sale price of the Class A Common Stock, as indicated below, is currently significantly below the \$287.50 per share exercise price. There is no guarantee therefore that holders will exercise the New Warrants, and in any event, even if holders exercise New Warrants, we will not retain any proceeds from the exercise of the New Warrants, as described below. We do not expect to rely on the cash exercise of the New Warrants to fund our operations. Instead, we intend to rely on our primary sources of cash discussed elsewhere in this prospectus to continue to support our operations. See “The Company and Management’s Discussion and Analysis of Financial Condition and Results of Operations - Liquidity and Capital Resources” for additional information.

Our Common Stock, Public Warrants and New Warrants are listed on Nasdaq under the symbols “LIFW,” “LIFWZ,” and “LIFWW.” On September 9, 2024, the closing price of Common Stock was \$0.1550 per share, the closing price of our Public Warrants was \$0.0402 per warrant and the closing price of our New Warrants was \$0.0040 per warrant.
